

ROCCOLO GRASSI

Mezzane di Sotto, Valpolicella, Veneto, Italy

ABOUT THE PRODUCER

Founded in 1996 by Marco and Francesca Sartori, Rocolo Grassi swiftly emerged as a leading advocate for excellence in Valpolicella, earning widespread acclaim for its stunning Amarone, Valpolicella, and Soave wines. Marco stands out as one of Veneto's most promising young vintners, holding his own among the region's esteemed wine legends. While many growers opt to send their grapes to local cooperatives, Rocolo Grassi devotes meticulous attention to its small vineyard holdings, embracing sustainable viticulture practices. Renowned for his superbly crafted wines, Marco's creations exhibit remarkable depth and sophistication. Diverging from the norm, Sartori opts for a shorter drying period for his Amarone grapes, a choice driven by his belief that this approach yields enhanced concentration in the vineyard while preserving freshness in the bottle.
