

MATTEO CORREGGIA

📍 Roero, Piemonte, Italy

ABOUT THE PRODUCER

The Matteo Correggia winery was established in 1985, inspired by one man's dream to make worldclass wines in the rather unknown and underappreciated area of Roero. Matteo was an incredibly passionate man with remarkable drive and vision and was well respected among Piedmont's leading producers. In 2001, Matteo Correggia tragically passed away just as he entered the region's winemaking elite. With the help of Matteo's winemaker mentors, close friends and loving family, his wife Ornella stepped up to oversee the estate, carrying on her husband's dream to introduce the world to the beauty and great potential of winemaking in Roero.
